In *Epic*, a retelling of the gospel in four acts, John Eldredge invites us to revisit the drama of life, viewing God not only as the author but also as the lead actor, exploring His motives and His heart. Eldredge examines the power of story, the universal longing for a "plot" that makes sense deep inside us, our desire for a meaningful role to play, our love of books and movies, and how all of this points us to the gospel itself.
