By the light of the pure eclipse, two worlds will be as one . . .

She was once a princess of Faerie, the seventh daughter of King Oberon. But sixteen-year-old Anita Palmer has no memory of the Faerie Realm; her true Faerie princess identity; her love, Edric; or her quest to save Faerie from a deadly plague that ravaged it. With the help of an unexpected ally, Anita must figure out a way to reawaken Tania, her Faerie self—but how?

Now Anita—or is she Tania?—doesn't know who, or what, to trust, including her own memories. With no time to spare, Anita must act. A thrilling final battle is soon to be waged that will affect not only her destiny but the fate of both Faerie and the Mortal World. Loyalties will be tested, true love questioned, and nothing is what it seems.
