Hegel, Nietzsche, and Philosophy: Thinking Freedom (Modern European Philosophy) Will Dudley

This challenging study explores the theme of freedom in the philosophy of Hegel and Nietzsche. In the first half Will Dudley sets Hegel's Philosophy of Right within a larger systematic account and deploys the Logic to interpret it. The author shows that freedom involves not only the establishment of certain social and political institutions but also the practice of philosophy itself. In the second half, he reveals how Nietzsche's discussions of decadence, nobility and tragedy map on to an analysis of freedom that critiques heteronomous choice and Kantian autonomy, and ultimately issues in a positive conception of liberation. In boldly bringing Hegel and Nietzsche together into a conversation, something that is rarely attempted, Will Dudley has developed a set of interpretations that will be of considerable importance to students of these philosophers, and more generally to political theorists and historians of ideas.

From reader reviews:

Jill Barks:

What do you ponder on book? It is just for students since they're still students or the idea for all people in the world, the actual best subject for that? Just simply you can be answered for that problem above. Every person has diverse personality and hobby per other. Don't to be obligated someone or something that they don't want do that. You must know how great and important the book Hegel, Nietzsche, and Philosophy: Thinking Freedom (Modern European Philosophy). All type of book can you see on many methods. You can look for the internet options or other social media.

Angelina Rone:

This Hegel, Nietzsche, and Philosophy: Thinking Freedom (Modern European Philosophy) is completely new way for you who has fascination to look for some information since it relief your hunger details. Getting deeper you into it getting knowledge more you know or perhaps you who still having little digest in reading this Hegel, Nietzsche, and Philosophy: Thinking Freedom (Modern European Philosophy) can be the light food in your case because the information inside this book is easy to get simply by anyone. These books build itself in the form which is reachable by anyone, that's why I mean in the e-book contact form. People who think that in reserve form make them feel drowsy even dizzy this book is the answer. So you cannot find any in reading a publication especially this one. You can find what you are looking for. It should be here for a person. So , don't miss the idea! Just read this e-book type for your better life in addition to knowledge.

Gary Lafountain:

In this era which is the greater individual or who has ability in doing something more are more treasured than other. Do you want to become one of it? It is just simple approach to have that. What you have to do is just spending your time very little but quite enough to enjoy a look at some books. One of many books in the top checklist in your reading list is usually Hegel, Nietzsche, and Philosophy: Thinking Freedom (Modern European Philosophy). This book that is qualified as The Hungry Slopes can get you closer in turning into precious person. By looking right up and review this reserve you can get many advantages.

Eileen Williams:

As a pupil exactly feel bored to reading. If their teacher asked them to go to the library or to make summary for some reserve, they are complained. Just little students that has reading's spirit or real their hobby. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that reading through is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Hegel, Nietzsche, and Philosophy: Thinking Freedom (Modern European Philosophy) can make you sense more interested to read.
