Candy Store of Books: Chocolate Dreams; Rainbow Swirl; Caramel Moon (Candy Fairies) Helen Perelman

In *Chocolate Dreams*, Cocoa the Chocolate Fairy is blamed for the missing chocolate eggs. But soon the other fairies discover that it's the sour troll Mogu who is toying with their candies. He has stolen the chocolate eggs for his own! Cocoa and Princess Lolli go on a dangerous adventure over the Frosted Mountains to save the eggs, and get Mogu to stop his bitter plan. They have to outwit the salty old troll in order to save the chocolate eggs and restore the balance of Sugar Valley once again.

In *Rainbow Swirl*, Raina is a young Gummy fairy who takes her duties very seriously and carefully tends the Gummy Forest. She follows the fairy guidebook rules to the letter and is getting ready for the annual candy contest at the castle. The night before the event a terrible storm hits Sugar Valley and the winds and rain swirl all the colors of the candies together. It's a huge mess! Dot, a wise Candy Castle Fairy, pairs up with Raina. They wind up creating a new rainbow hue to decorate all the candies just in time for the annual candy contest held in the Gummy Forest. While the candy is not traditional, Raina wins for originality and is proud of her work.

In *Caramel Moon*, the crop of candy corns is shrinking! Is someone playing a trick? Mellie the Caramel Fairy and her friends will find out! At the Harvest Festival all the fairies expect to eat candy corn, but Mellie discovers that the Chuchies are back and have been digging in the fields, pulling up the candy corns before the fairies can collect them. Princess Lolli will see that the Chuchies learn a lesson, and Mellie and her friends harvest a new crop of candy corn just in time.
