**The best-selling author of *Girl Waits with Gun* returns with another adventure featuring the fascinating, feisty, and unforgettable Kopp sisters.**

After besting (and arresting) a ruthless silk factory owner and his gang of thugs in *Girl Waits with Gun*, Constance Kopp became one of the nation's first deputy sheriffs. She's proven that she can't be deterred, evaded, or outrun. But when the wiles of a German-speaking con man threaten her position and her hopes for this new life, and endanger the honorable Sheriff Heath, Constance may not be able to make things right.

*Lady Cop Makes Trouble* sets Constance loose on the streets of New York City and New Jersey--tracking down victims, trailing leads, and making friends with girl reporters and lawyers at a hotel for women. Cheering her on, and goading her, are her sisters Norma and Fleurette--that is, when they aren't training pigeons for the war effort or fanning dreams of a life on the stage.

Based on a true story, *Girl Waits with Gun* introduced Constance Kopp and her charming and steadfast sisters to an army of enthusiastic readers. Those readers will be thrilled by this second installment--also ripped from the headlines--in the romping, wildly readable life of a woman forging her own path, tackling crime and nefarious criminals along the way.
