*Put all English learners on the path to success—right from the start!*

As more beginning ELs enroll in schools every year, educators need a realistic framework for addressing the varied needs of this growing population. In this practical resource, the authors provide templates, tools, and vignettes illustrating real-world challenges to help teachers and administrators:

- Learn strategies for teaching beginning level ELs across the curriculum
- Create a welcoming environment for students and families
- Reach out to students from both literacy and non-literacy-oriented homes
- Design programs that meet the needs of beginning ELs and students with limited or interrupted formal education (SLIFE)
