Please Note: Item is standalone.

Fundamentals of Cost Accounting provides a direct, realistic, and efficient way to learn cost accounting, integrated with new technology learning tools. *Fundamentals* is short (approximately 700 pages) making it easy to cover in one semester. The authors have kept the text concise by focusing on the key concepts students need to master. **The Decision** opening vignettes and **Business Application** boxes show realistic applications of these concepts throughout. All chapters conclude with a **Debrief** that links the topics in the chapter to the decision problem faced by the manager in the opening vignette.
