Ketamine : Dreams and Realities Karl Jansen

Ketamine: Dreams and Realities is a non-biased and comprehensive overview of the drug ketamine. It covers everything from its recreational use in the dance community, its use as an adjunct to psychotherapy as an aid in overcoming chemical dependency and alcoholism, to the types of mystical experiences induced by ketamine. This book includes information on the possible benefits and dangers of ketamine use along with an authoritative treatment plan for individuals who become addicted to the drug. It is a wealth of information for both laypersons and medical professionals alike.
