Roberto Briceño-León, Alberto Camardiel

Después de dieciséis años de incremento sostenido de los homicidios, robos y secuestros, la violencia y el delito muestran cambios importantes en Venezuela. Ya no se trata más de asesinos aislados o de una cuerda de jóvenes ladrones que venden droga en la esquina. En la actualidad, estamos frente a una organización del delito que es capaz de embarcar en un vuelo comercial 42 maletas con una tonelada de cocaína; de grupos armados que se enfrentan con granadas y fusiles a los cuerpos policiales; de organizaciones colectivas que son capaces de forzar la destitución del ministro que ha osado enfrentarlas.

Este libro no pretende ser exhaustivo ni constituye un cierre. Es, al contrario, la apertura de un área de investigación y de política pública apenas explorada en el país. La contribución teórica y empírica aquí presentada es novedosa, pues permite superar la visión estrictamente criminal del delito y mostrar la diversidad de conexiones que existen entre el crimen organizado, los mercados ilegales y la democracia.
