Handbook for Supervisors of Doctoral Students in Evangelical Theological Institutions (ICETE Series) Ian J. Shaw, Kevin Lawson

Theological education is a vital aspect of Christian mission. The training of evangelical doctoral students in theological subject areas is therefore an important part of the mission of God. This handbook presents doctoral supervision as a task involving both academic and spiritual formation. Designed to be practical and relevant, and to encourage self-reflection at both individual and institutional levels, it combines theological foundations with educational theory accompanied by questions, exercises and case studies to develop doctoral-level skills. Central to the theme of this handbook is the promotion of excellence in academic training combined with a strong focus on the spiritual and pastoral dynamics of supervision – a combination that evangelical students desperately need from their supervisors.
