Los símbolos transparentes (Spanish Edition) Gonzalo Martré

La novela definitiva sobre el 68 mexicano

La matanza de Tlatelolco tuvo mucho testigos, pero quizá ninguno tan privilegiado como Gonzalo Martré, quien en 1968 era director de la Preparatoria Uno de la UNAM. El 2 de octubre, Martré estuvo presente en la Plaza de las Tres Culturas al momento de la masacre.

Los símbolos transparentes narra ese momento y ofrece una nueva perspectiva del Movimiento, las motivaciones de los estudiantes, la indiferencia de las autoridades, los que murieron bajo la represión del Ejército, los torturados, los desaparecidos, aquellos que se unieron a la guerrilla o los que han vivido lisiados para siempre sin olvidar sus ideales. La trama avanza en torno a la brigada Lucio Blanco, un grupo informativo y propagandístico integrado por Humberto, Víctor, Saúl, Andrés, Rosa y El Pifas, seis jóvenes inscritos al Movimiento Estudiantil inspirados por alcanzar un futuro distinto.

Después de que *Los símbolos transparentes* estuvo censurada por décadas, al atreverse a llamar por su nombre a los personajes más importantes del régimen y por denunciar la crudeza de sus métodos, y a pesar de que Octavio Paz afirmó en su poema *Postdata* que los símbolos de nuestra historia se volvieron transparentes después de Tlatelolco, Alfaguara retoma su publicación.
