More than ever before boys need guidance, and this book will guide parents on all subjects, such as bullying, discipline, and homework.

### **Limited time offer.**

From video games to the Internet, technology and popular culture are having a profound effect on today's boys. Boys need guidance more than ever. But how can we help them do better in school? How can we keep the lines of communication open?

*Raising Boys in a New Kind of World* is a passionate call for greater empathy. The more we know about boys, the more realistic our expectations of them will be. We need to stop seeing normal boy behaviour as a problem and learn to understand a boy's need for movement, his unique learning styles, and his personal methods of communicating.

Michael Reist writes from the front lines. As a classroom teacher for more than 30 years and the father of three boys, he has seen first-hand the effects that changes in modern culture are having on boys. *Raising Boys in a New Kind of World* is an inspiring and entertaining collection of positive, practical advice on many topics, including discipline, homework, video games, and bullying, and provides numerous tips on how to communicate with boys.
