Sustainable Transport: 200 (Issues) Lisa Firth

With Britain's roads more congested than ever, and the price and efficiency of public transport a highly contentious issue, there is currently much debate about the future of transport. This book examines the issues surrounding sustainable transport, including the environmental and social impact of the way we travel. The information comes from a wide range of sources and includes government reports and statistics, newspaper articles, features, magazine articles and surveys, literature from lobby groups and charitable organisations.
