When you ask who runs Baltimore, there's only one name that comes to mind: The Vincent Brothers. These brothers are known for their looks, charm, and crazy ways. There's Jace, Jackson, and June, and in that order. The females lose their mind when the brothers grace them with their presence, but none have yet to capture any of their hearts. Tragedy struck them when they were young, and ever since then their hearts have been closed off to any female.

Jace recently broke up with his long-time girlfriend, Jalysa. He didn't love her, but he kept her around. He knew she wasn't the one, but he was the one for her. Jace doesn't care about much but family and his money. He had to be a man before his time to take care of his family. Jace wasn't looking for love until his heart stumbled into the palms of India. There's only one problem. Jalysa isn't ready to let Jace go.

India moves to Baltimore in hopes of getting away from her ex-boyfriend Tank. She is ready to start over. It's a good thing she had friends in Baltimore. India and Jalysa have been friends most of their lives, and Jalysa welcomed her with open arms. India has never been one to step on anybody's toes until she meets Jace. India tries to keep her distance but can't help how she feels. Tank is lurking in the shadows for his chance to claim what's his again.

Read this story of love, deceit, and heartache. Will Jalysa ever let Jace go? Will Tank ever get what he feels belongs to him? Will India and Jalysa's friendship remain the same once she moves to Baltimore? Who's love will prevail in the end?
