Glancing at myself in the mirror I can only smile. It is not that often that I am able to get all dolled up like I am now. Tonight is a special night for me, one that has required lots of planning on every possible level. As I see my reflection I can only assume one thing, I look good. I cannot take all the credit for how I look though. The **woman who raised me** Allison helped me pick out every little detail from the way my hair is done to the perfect little dress I am wearing now. Every little detail is fine-tuned beyond my expectations.

Little did I know the knock at my door from her would open up a world of opportunities as Allison shows me what it feels like to **become a woman**. Allison always wanted to **teach** me new things and tonight it looks like will be the night to learn. Never did I know in our **close-knit bond** that she loved me so much. Little did Allison know the sweet little **untouched** me was as ready and willing to explore our **deep dark secret** in the most **taboo** ways possible

Contains adult themes and situation. All characters engaged in sexual situations are of at least 18 years of age, and are not blood related.
