Far from the battlefields of Europe and North Africa, Allied forces fought a very different war against another foe, from the jungles of Burma to the islands of the Pacific and the shores of Australia. This new Theatre Book for Bolt Action allows players to command the spearhead of the lightning Japanese conquests in the East or to fight tooth and nail as Chindits, US Marines and other Allied troops to halt the advance and drive them back. Scenarios, special rules and new units give players everything they need to recreate the ferocious battles and campaigns of the Far East, from Guadalcanal to Okinawa, Singapore, the Philippines, Iwo Jima and beyond.
