Exploring British Politics Mark Garnett, Philip Lynch

Concise, comprehensive and accessible, *Exploring British Politics* presents an insightful approach to British politics with a special emphasis on developments since the 2010 general election and the formation of Britain's first coalition government since 1945. Designed to stimulate critical analysis and provoke lively debate, it provides new perspectives on two key themes – the health of British democracy and the transition from traditional models of government to more flexible forms of 'governance'.
