## Learning at Home, PreK-3: Homework Activities That Engage Children and Families

*Create a strong home-school connection through family activities that extend learning!*

Packed with hundreds of engaging activities, this unique resource helps teachers plan developmentally appropriate, creative homework assignments that encourage positive learning experiences and reinforce home-school connections. Focusing on social interactions within the family, these fun, playful activities:

- Relate directly to children's own experiences
- Employ concrete, easily accessible materials
- Include shared reading experiences, family projects, and games
- Integrate developmental and content areas, including language and literacy, mathematics, science, and the creative arts
- Promote literacy learning in homes where English is not the primary language
