## **Over the Ocean** Taro Gomi

Renowned children's book creator Taro Gomi has created another masterpiece. In this beautiful testament to wondering, a young girl gazes out to where the water meets the sky and wonders what lies beyond the waves. Boats filled with toys? Skyscrapers filled with people? Houses filled with families? Or, maybe, over the ocean stands someone not so different from the girl herself, returning her gaze. In this celebration of imagination's power, young readers will find joy in the mystery of the faraway, the unknown, and the just-beyond. Plus, this is the fixed-format version, which looks almost identical to the print edition!
