Surveillance: A Novel

Jonathan Raban

Surveillance: A Novel Jonathan Raban

In the not-too-distant future, no one trusts anyone and everyone is watching everybody else. America is obsessed with information and under siege from an insidious enemy: paranoia. National identify cards are mandatory, terrorism alerts are a daily event, and privacy is laid bare on the Internet. For a freelance journalist, her daughter, a bestselling author, and a struggling actor, these tumultuous times provide the backdrop as their lives become inextricably bound in a darkly humorous, frighteningly accurate story of life in an unstable world.

From the Trade Paperback edition.
