Sustainable Land Management Sourcebook (Agriculture and Rural Development Series) The World Bank

The Sustainable Land Management Sourcebook is a resource of good practice information on land and natural resource management issues that will be of operational relevance to practitioners in the tropics and sub-tropics. The Sourcebook covers a comprehensive range of topics on the technical issues of land and natural resource management and is presented in a way that will facilitate use by both experts and lay readers. The text is well-illustrated with graphs and photos and for the more specialized reader, key references and web links to institutional reference databases are provided.
