## **Un mundo con drogas: Los caminos alternativos a la prohibición: Holanda, Estados Unidos, España... (Spanish Edition)** Emilio Ruchansky

Las drogas existen. Están en el mundo. Hay millones de usuarios y usuarias de sustancias tóxicas que alteran la conciencia. Al mismo tiempo, la mayoría de las doctrinas políticas y religiosas se empeñan en controlar este fenómeno mediante la represión sin considerar que se trata de una conducta privada. Comparten la tesis de una enfermedad social y abogan por la prohibición.

Por otro lado, cada vez son más los países que se cuestionan sobre la conveniencia de legalizar el consumo de drogas. Este libro plantea salir de la encrucijada a partir de ejemplos actuales que implican un paradigma diferente. Emilio Ruchansky, editor de la revista THC, recorrió Suiza, Holanda, España, Estados Unidos, Bolivia y Uruguay para escuchar otros puntos de vista, reunir documentación y conocer distintos dispositivos para regular algunas de las plantas y sustancias prohibidas. Mezcla de investigación minuciosa, reportaje y crónica, Ruchansky presenta un ensayo imprescindible para discutir acerca del consumo de drogas y otras formas de regular su acceso.

"Es menester abrir con urgencia la discusión de las drogas en términos claros y con el máximo de información posible. Este libro de Emilio Ruchansky es una excelente contribución para comenzar el debate."
