Bookstore shelves are full of titles that tell women how to get what they want out of their man. But affectionate, long-lasting relationships thrive when the tables are turned--when each spouse focuses on giving, not getting. *Bringing Out the Best in Your Husband* delivers biblical and practical proven ways to encourage the man in every reader's life. This new book from bestselling author H. Norman Wright is packed with stories from wives struggling to understand their husbands' needs and desires; every woman will see herself and her marriage reflected in these deeply personal accounts. Readers will also hear the other side of the story: Men share the ups and downs of their marriage experiences and reveal the secret longings of their hearts. Every principle is presented with a true-to-life story so that wives can see the effects of encouragement, prayer, romance, and inspiration on marriages just like theirs. Based on his experience counseling thousands of couples over more than 40 years, Dr. Wright shows how great an impact spouses have on one another and how to turn that impact into a loving, joy-filled marriage that stands the test of time.
