La República Pneumática (Spanish Edition) J. Valor Montero

En una Barcelona romana y pneumática, Marcus Nova, un joven de Caesaraugusta, deberá destapar un complot que pone en peligro la vida del hombre más poderoso de la República.

¿Y si el Imperio romano hubiera desarrollado la máquina de vapor de Heron de Alexandria? ¿Y si los trenes hubieran unido el mundo ya en el siglo III d.C.? ¿Y si la República romana estuviera al borde de la guerra con el Imperio chino? ¿Y si, en medio de todo ello, un joven con un autómata como escudero se hubiese visto envuelto en la aventura de su vida, enfrentado a sectas luditas y xenófobas, a los poderes del Cónsul y del Pontífice, a un amor imposible y al avance, en fin, del progreso a cualquier precio?

Ya no hace falta imaginarlo: La República Pneumática es esos "y si..." y muchos más. Una original mezcla de ucronía y steampunk, de imaginación documentada y de novela de iniciación para todas las edades. La opera prima de J. Valor Montero hará las delicias de los aficionados a la antigua Roma, pero también de los fans de Patrick Rothfuss, Philip Pullman y Félix J. Palma, autores, entre otros muchos, a los que homenajea con desparpajo.

Atrévete a entrar en el mundo de Marcus Novus, la Via virtutis y los poderes de Jiàn. Atrévete a entender el Baile de Serpientes. Atrévete a soñar con una Barcelona romana como nunca la ha contado nadie...
