Tainted Cascade (Deathlands Book 98) James Axler

The blighted aftermath of a global nuclear showdown, Deathlands exacts a blood price. The living pay it; the dead don't care. For one legendary band of warriors, this barbaric new world holds a chance for redemption: the secrets of the past. They roam a disfigured America, searching for pre-dark tech...seeking the path to a future worth living.

Utah's Great Salt Lake Desert remains a death pit of scorching heat, cannies and grim odds. Ryan Cawdor and his group survive the trek there, only to be drugged, robbed and left for the slave trade. Escaping their captors leaves them alive but stripped of their prized gear: their weps, J. B. Dix's glasses, Dr. Mildred Wyeth's medical kit and, worse, her secret codex. The companions must rely on each other to challenge their enemy and settle the score.
