Un canto di pattume e flatulenze (Italian Edition) Biagio Chiarini

In un'epoca in cui le librerie sono sommerse di saghe fantasy, gli dziemanisti Biagio Chiarini e Boris Bogadir ci dimostrano come questo genere, se usato per fare dell'ironia, possa rivelarsi un potente mezzo con cui guardare il nostro mondo da un differente punto di vista, anziché fuggirlo.

Quest'avventura, scoppiettante come un concerto di flatulenze, prende vita a Roma e ci porta in un mondo immaginario in cui grottesco e oscenità sono genitori di un umorismo contundente, spesso demenziale, sboccato e non sempre facile da condividere, ma che tra le righe sa mettere in luce un aspetto fondamentale della tragedia umana: è nella ricerca di soluzioni di fronte alla difficoltà che un essere umano sviluppa le proprie potenzialità, mentre l'eccesso di comodità equivale al suo annullamento.
