Based on *The Gasletter Collection*, the author's successful primer on sheltering your income, *After Taxes* is designed to help the working individual put in place a long-term strategy. An easy-to-understand handbook, it helps the reader wrestle with the implications of retirement funds, savings, off-shore shelters, investments, mutual funds, real estate, buyouts, separation allowances, and golden (or not-so-golden) handshakes. A must for those who wish to make informed financial decisions and better choices to guarantee a secure future.
