Grandes tesoros ocultos (Spanish Edition) Javier Martínez-Pinna

“El viajero interesado por estas y otras apasionantes aventuras tiene en el ensayo de Javier Martínez-Pinna, Grandes Tesoros Ocultos, una completa guía para descubrir la auténtica historia de los grandes tesoros piratas, las fortunas de Atila el huno, Moctezuma o Gengis Khan.” (Blog Lugares con historia)

Los grandes tesoros piratas, las fortunas de Atila, Moctezuma o Gengis Khan, la ciudad de El Dorado y otras muchas riquezas permanecen aún ocultas. Este libro, como un mapa, sigue las pistas que nos dejaron.

En *Grandes tesoros ocultos* se estudian algunos de los tesoros más perseguidos de todos los tiempos, y no sólo los que tienen una naturaleza física, sino también algunos con un carácter más espiritual y cognitivo. El ensayo está dividido en una serie de capítulos y, en cada uno de ellos, trato de explicar los hechos históricos que provocaron la aparición y el ocultamiento de estos enormes botines para posteriormente intentar dilucidar el lugar en los que, a día de hoy, esperan a ser encontrados.

Javier Martínez-Pinna ofrece distintas hipótesis para tratar de explicar la ubicación de estos tesoros, por lo que ofrecerá al lector la posibilidad de elegir el lugar más adecuado para seguir su rastro. La ubicación de estos tesoros perdidos nos permite recorrer todos y cada uno de los continentes, abriendo la posibilidad de que el lector recorra distintos espacios geográficos en busca de lo desconocido. En este sentido, podrá utilizar este ensayo como una especie de libro de viajes para estudiar, por sí mismo, algunos de los enigmas más apasionantes de nuestro pasado.

Razones para comprar la obra:

- *Por primera vez se reúne en una única obra un punto de vista integral sobre todos los tesoros de la historia, de los más conocidos a los más misteriosos.*
- La obra ofrece distintas hipótesis evitando dar una opinión subjetiva de los hechos que no han sido aún probados. Por tanto permite que el lector decida qué hipótesis creer, estimulando el afán de conocimiento de los lectores.
- La obra puede ser considerada una atractiva guía de viajes por parajes y países con un gran papel en la historia.
- La obra está profusamente ilustrada. Contiene más de 60 ilustraciones, mapas, fotografías de los lugares, retratos de los protagonistas,.. que aportan una mayor riqueza a la obra y favorecen la contextualización espacio-temporal e histórica de los tesoros.

Otros ensayos centran su atención en algún tipo concreto de tesoros. En esta obra se recorren distintos lugares y momentos del pasado, y se proponen nuevas posibilidades: tesoros piratas, grandes tumbas, los grandes tesoros precolombinos, el Dorado o el gran secreto de los caballeros templarios.
