Los Moros (Spanish Edition) Anja Rusche

Seminar paper del año 2004 en el tema Romanística - Español, literatura, cultura general, Nota: 2, Ruhr-Universität Bochum, Materia: Landeskunde , 7 Citas bibliográficas, Idioma: Español, Resumen: En este trabajo escrito quiero dedicarme a los moros, una nación nacida de los árabes y beréberes, que influyeron a España durante su dominación de ocho siglos desde 711-1492.

La zona de ocupación musulmana en España fue conocida como "Al-Andalus"¹ de la cual nació el nombre Andalucía que es usado hoy.

La cultura musulmana fue avanzada en ciencia, matemáticas, literatura, arte y arquitectura que, lo que se muestra, especialmente, en las tres ciudades principales de Andalucía: Granada, Córdoba y Sevilla.

Las invasiones árabes influyeron en casi toda la península, en la religión y al aspecto físico, en especial en los que viven en el sur, lo que se muestra en la piel morena y el pelo negro. Sin embargo, había una parte pequeña en el norte que nunca fue conquistada por los árabes.

Este evento minúsculo tuvo muchas consecuencias para la historia y el desarrollo de España y su lengua ya que la gente de este área empezó a organizar la famosa reconquista.

A continuación quiero dedicarme al idioma, a la cultura y a la religión con más detalle.
