Nancy Milford

Zelda: A Biography Nancy Milford

Zelda Sayre started out as a Southern beauty, became an international wonder, and died by fire in a madhouse. With her husband, F. Scott Fitzgerald, she moved in a golden aura of excitement, romance, and promise. The epitome of the Jazz Age, they rode the crest of the era to its collapse and their own.

As a result of years of exhaustive research, Nancy Milford brings alive the tormented, elusive personality of Zelda and clarifies as never before her relationship with Scott Fitzgerald. *Zelda* traces the inner disintegration of a gifted, despairing woman, torn by the clash between her husband's career and her own talent.
