Historical Dictionary of the 1970s

Historical Dictionary of the 1970s

The 1970s were difficult years for the United States, a time when long-held convictions were challenged and the nation experienced a collective identity crisis. Women and minorities called into question the belief that freedom and equality are the birthright of all Americans. The civil rights movements of the 1970s argued that American history is full of racism and violence against women and people of color. Watergate and related scandals of the Nixon administration damaged the country's faith in politicians and the political system. The Arab oil boycott, the energy crisis, the environmental movement, and years of stagflation raised doubts about the future of the nation's economy, and in the jungles of Vietnam, many Americans began to doubt their ability to protect the world from Communism.

An encyclopedic overview of the era, this book includes entries on the prominent people and significant events, issues and controversies of the decade, and entries on the film, music, and culture of the period. A chronology provides a time line for the events of the 1970s.

From reader reviews:

Edward Rideout:

Do you have favorite book? If you have, what is your favorite's book? Guide is very important thing for us to know everything in the world. Each book has different aim or perhaps goal; it means that book has different type. Some people feel enjoy to spend their time and energy to read a book. They may be reading whatever they acquire because their hobby is usually reading a book. Why not the person who don't like examining a book? Sometime, man feel need book if they found difficult problem or exercise. Well, probably you should have this Historical Dictionary of the 1970s.

Eric Vegas:

As people who live in the modest era should be update about what going on or information even knowledge to make these people keep up with the era and that is always change and advance. Some of you maybe will update themselves by looking at books. It is a good choice for yourself but the problems coming to a person is you don't know what kind you should start with. This Historical Dictionary of the 1970s is our recommendation to make you keep up with the world. Why, because book serves what you want and need in this era.

Brenda Evans:

This Historical Dictionary of the 1970s are generally reliable for you who want to certainly be a successful person, why. The reason why of this Historical Dictionary of the 1970s can be on the list of great books you must have is definitely giving you more than just simple studying food but feed you actually with information that maybe will shock your prior knowledge. This book is usually handy, you can bring it everywhere and whenever your conditions in the e-book and printed people. Beside that this Historical Dictionary of the 1970s forcing you to have an enormous of experience such as rich vocabulary, giving you demo of critical thinking that we all know it useful in your day activity. So , let's have it and enjoy reading.

Dale Randolph:

As a college student exactly feel bored to be able to reading. If their teacher requested them to go to the library as well as to make summary for some reserve, they are complained. Just tiny students that has reading's heart or real their interest. They just do what the educator want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that studying is not important, boring as well as can't see colorful pics on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Historical Dictionary of the 1970s can make you feel more interested to read.
