A BABY ON THE WAY—AND ON HIS DOORSTEP

When an infant shows up on Nick Slater's desk with a note, this case has the detective stumped. At which point beautiful Georgia Hurley shows up in his office as well, with an explanation for why she dumped him—and sporting a baby bump that dates back to their one night together four months prior...

Georgia knows she turned on Nick for his own good...but will Detective Daddy believe her? She offers to help care for his "temporary" baby for one week—surely the mother will turn up by then. But when the seven days are up, will they part ways and go back to their separate corners? Or will they find that a week of living as husband and wife, mommy and daddy, just made them hungry for the real thing?
