Guide to Concrete (Quikrete) Phil Schmidt **Concrete information for long-lasting concrete projects**

This book is an all-new hardworking visual guide to the most popular home concrete and masonry projects, endorsed by the biggest manufacturer of concrete products in North America. Readers can save hundreds or even thousands of dollars with this book, since concrete materials are one of the least expensive and long lasting of all building materials.

Quikrete Guide to Concrete includes the most common home repairs, but goes a step further by offering some of the most exciting new techniques for building concrete countertops and form-cast landscaping features, as well as techniques for coloring and texturing concrete for designer finishes.
