## **Joe and Me: An Education In Fishing And Friendship** James Prosek

When James Prosek was just fifteen, a ranger named Joe Haines caught him fishing without a permit in a stream near Prosek's home in Connecticut. But instead of taking off with his fishing buddy, James put down his rod and surrendered. It was a move that would change his life forever. Expecting a small fine and a lecture, James instead received enough knowledge about fishing and the great outdoors to last a lifetime.

The story of an unlikely friendship, *Joe and Me* is a book for those who remember the mentor in their life, the one who changed the way they look at the world.
