The Real Thing J.J. Murray

Former boxing champion Dante "Blood and Guts" Lattanza is being featured in Personality magazine's "Sexiest Men Alive" issue, and reporter Christiana Artis has the scoop. There's just one hitch: she'll have to fly to her elusive subject's home in Canada. But once she lays eyes on Dante's chiseled physique and sultry Italian looks, she decides it was worth every mile. Too bad his icy demeanor doesn't match his hot body.

Since he lost his last fight ten years ago, Dante never gives interviews. But now he's ready to prove to the world--and his ex-wife--that he can still win a championship. He gives Christiana an ultimatum: if she can perform five tasks, she can ask him five questions. And then she can be on her way. Yet Dante's always had a weakness for beautiful black women, and seeing Christiana everyday is enough to melt his defenses. Soon she's an intimate part of the very story she came to write. But when the line between personal and professional gets blurred, it can be difficult to see when you've found the real thing.

From reader reviews:

Leticia Cantrell:

Book is to be different for each grade. Book for children right up until adult are different content. As you may know that book is very important for all of us. The book The Real Thing ended up being making you to know about other expertise and of course you can take more information. It is rather advantages for you. The publication The Real Thing is not only giving you more new information but also being your friend when you sense bored. You can spend your current spend time to read your e-book. Try to make relationship using the book The Real Thing. You never sense lose out for everything in the event you read some books.

Emma Peterson:

Information is provisions for people to get better life, information these days can get by anyone at everywhere. The information can be a information or any news even restricted. What people must be consider when those information which is from the former life are difficult to be find than now could be taking seriously which one is acceptable to believe or which one the particular resource are convinced. If you have the unstable resource then you have it as your main information we will see huge disadvantage for you. All those possibilities will not happen with you if you take The Real Thing as your daily resource information.

George Tucker:

In this era globalization it is important to someone to receive information. The information will make someone to understand the condition of the world. The health of the world makes the information better to share. You can find a lot of references to get information example: internet, newspaper, book, and soon. You can view that now, a lot of publisher this print many kinds of book. The actual book that recommended for your requirements is The Real Thing this book consist a lot of the information in the condition of this world now. This kind of book was represented so why is the world has grown up. The language styles that writer require to explain it is easy to understand. The writer made some study when he makes this book. Honestly, that is why this book suited all of you.

John Montes:

Reading a guide make you to get more knowledge from it. You can take knowledge and information from your book. Book is prepared or printed or highlighted from each source this filled update of news. Within this modern era like right now, many ways to get information are available for you actually. From media social just like newspaper, magazines, science book, encyclopedia, reference book, story and comic. You can add your knowledge by that book. Ready to spend your spare time to open your book? Or just seeking the The Real Thing when you desired it?
