Henry G. Brinton

The Welcoming Congregation: Roots and Fruits of Christian Hospitality Henry G. Brinton

This practical book by pastor and writer Henry G. Brinton studies the biblical basis for Christian hospitality and how it is practiced in congregations today. While recognizing the challenges for embracing all people in the life of the church, Brinton offers a helpful guide for creating a hospitable congregation and welcoming others through spiritual formation, reconciliation, and outreach. He includes discussion questions and an action plan in each chapter.

"Because church members often have the aspiration to receive strangers but not the skills or techniques, I offer this book as a user-friendly and useful guide to Christian hospitality. It tells stories of inclusion, contains examples of the best practices of truly welcoming congregations from across the country and overseas, and offers suggestions about hospitable practices that can be used by churches across the social and theological spectrum. I offer this guide to laypersons, clergy, and other religious professionals because I am a parish pastor who believes that hospitality is the key to becoming an uncommon Christian community-one that embraces all people with God's love and grace." - From the introduction
