## **Cracking the AP Psychology Exam, 2006-2007 Edition (College Test Preparation) Princeton Review**

The Princeton Review realizes that scoring high on the AP Psychology Exam is very different from earning straight A's in school. We don't try to teach you everything there is to know about psychology—only the strategies and information you'll need to get your highest score. In *Cracking the AP Psychology Exam*, we'll teach you how to

- Use our preparation strategies and test-taking techniques to raise your score
- Focus on the topics most likely to appear on the test
- Test your knowledge with review questions for each psychology topic covered

This book includes 2 full-length practice AP Psychology tests . All of our practice questions are just like those you'll see on the actual exam, and we explain how to answer every question.
