## Evidence for the Rapture: A Biblical Case for Pretribulationism

### Is the rapture still going to happen? And if so, when?

With contributing scholars from schools like Moody Bible Institute, Dallas Theological Seminary, and The Master's Theological Seminary, *Evidence for the Rapture* is a convincing and thoroughly biblical case for the rapture.

This collection of exegetical essays looks at the rapture from a number of biblical angles: the words of Jesus in the Gospels, Paul's teachings in the epistles, and even prophetic and apocalyptic literature. In sound exegetical technique, the authors corroborate Scripture's main teachings on the end times to provide a trustworthy and concise treatment of a multi-faceted issue.

For the last several hundred years, the doctrine of a pretribulation rapture has been a fixture in many churches and institutions. *Evidence for the Rapture* is a fresh polish upon this long-standing doctrine.
