## Love (Vows Book 1) Sherryl Woods

Was it her biker boots, her belligerent blue jeans...or her mean left hook? Jason Halloran never knew what hit him. But just as his perfectly predictable life seemed to be going nowhere, sassy, street-smart Dana Roberts began driving him up a wall!

Dana Roberts had been on her own since age sixteen, and she intended to keep it that way. The last thing she wanted was some sexy, rich corporate VP playing Prince Charming and making her his helpless Cinderella. But what would she do if the shoe fit?

*Vows: Love, Honor and Cherish—words that three generations of Halloran men vowed to live by.*

### From reader reviews:

#### Frances Heath:

Reading a guide tends to be new life style on this era globalization. With reading you can get a lot of information which will give you benefit in your life. Along with book everyone in this world can certainly share their idea. Guides can also inspire a lot of people. Many author can inspire their reader with their story or perhaps their experience. Not only the storyplot that share in the textbooks. But also they write about the information about something that you need example of this. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors nowadays always try to improve their ability in writing, they also doing some study before they write on their book. One of them is this Love (Vows Book 1).

#### Louise Schmidt:

People live in this new day of lifestyle always try and and must have the extra time or they will get lots of stress from both day to day life and work. So , once we ask do people have free time, we will say absolutely of course. People is human not really a huge robot. Then we ask again, what kind of activity are you experiencing when the spare time coming to you actually of course your answer can unlimited right. Then ever try this one, reading publications. It can be your alternative within spending your spare time, the particular book you have read is Love (Vows Book 1).

#### Ariane Gray:

What is your hobby? Have you heard that question when you got college students? We believe that that question was given by teacher to their students. Many kinds of hobby, Every individual has different hobby. So you know that little person such as reading or as examining become their hobby. You must know that reading is very important and also book as to be the thing. Book is important thing to increase you knowledge, except your teacher or lecturer. You will find good news or update concerning something by book. A substantial number of sorts of books that can you choose to adopt be your object. One of them is niagra Love (Vows Book 1).

#### Felix Smith:

Some people said that they feel uninterested when they reading a guide. They are directly felt the item when they get a half elements of the book. You can choose often the book Love (Vows Book 1) to make your personal reading is interesting. Your personal skill of reading expertise is developing when you such as reading. Try to choose simple book to make you enjoy to study it and mingle the impression about book and studying especially. It is to be initial opinion for you to like to wide open a book and study it. Beside that the guide Love (Vows Book 1) can to be your new friend when you're sense alone and confuse in what must you're doing of that time.
