## **Pimsleur Spanish Quick & Simple CDs, and Survival Spanish Basic Course Pack (Pimsleur/FSI Spanish Language Series, Volume 1) Paul Pimsleur/Foreign Service Institute**

This pack includes Pimsleur Quick & Simple Spanish and the FSI Spanish Survival course. The Pimsleur Method provides the most effective language-learning program ever developed. The Pimsleur Method gives you quick command of Spanish structure without tedious drills. Learning to speak Spanish can actually be enjoyable and rewarding. The key reason most people struggle with new languages is that they aren't given proper instruction, only bits and pieces of a language. Other language programs sell only pieces -- dictionaries; grammar books and instructions; lists of hundreds or thousands of words and definitions; audios containing useless drills. They leave it to you to assemble these pieces as you try to speak. Pimsleur enables you to spend your time learning to speak the language rather than just studying its parts. Q&S Spanish includes the first 8 lessons from the Pimsleur Comprehensive Level I. 4 hours, audio-only, effective language learning with real-life spoken practice sessions. ISBN-10: 0-7435-2355-5 The Survival Spanish Training Course is designed to introduce adults with no previous knowledge of the Spanish language to effective Spanish communication. The emphasis is on developing language skills needed for survival in a Spanish-speaking country, and is supported by authentic reading materials. The audio includes the presentation of dialogs and vocabulary from the book and a number of listening comprehension activities to be done on assignments. This version includes a CD-ROM version of the course.
