Resistance and Rebellion: Lessons from Eastern Europe (Studies in Rationality and Social Change)

Roger D. Petersen

Resistance and Rebellion: Lessons from Eastern Europe explains how ordinary people become involved in resistance and rebellion against powerful regimes. The book shows how a sequence of casual forces - social norms, focal points, rational calculation - operate to drive individuals into roles of passive resistance and, at a second stage, into participation in community-based rebellion organization. By linking the operation of these mechanisms to observable social structures, the work generates predictions about which types of community and society are most likely to form and sustain resistance and rebellion. The empirical material centres around Lithuanian anti-Soviet resistance in both the 1940s and the 1987–1991 period. Using the Lithuanian experience as a baseline, comparisons with several other Eastern European countries demonstrate the breadth and depth of the theory. The book contributes to both the general literature on political violence and protest, as well as the theoretical literature on collective action.

From reader reviews:

Frank Jorge:

As people who live in often the modest era should be revise about what going on or information even knowledge to make these individuals keep up with the era which can be always change and advance. Some of you maybe will certainly update themselves by studying books. It is a good choice for you but the problems coming to an individual is you don't know what one you should start with. This Resistance and Rebellion: Lessons from Eastern Europe (Studies in Rationality and Social Change) is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and want in this era.

Joe North:

Exactly why? Because this Resistance and Rebellion: Lessons from Eastern Europe (Studies in Rationality and Social Change) is an unordinary book that the inside of the book waiting for you to snap the idea but latter it will surprise you with the secret this inside. Reading this book beside it was fantastic author who else write the book in such amazing way makes the content within easier to understand, entertaining means but still convey the meaning completely. So , it is good for you for not hesitating having this any more or you going to regret it. This book will give you a lot of rewards than the other book include such as help improving your expertise and your critical thinking approach. So , still want to delay having that book? If I have been you I will go to the guide store hurriedly.

George Gentry:

This Resistance and Rebellion: Lessons from Eastern Europe (Studies in Rationality and Social Change) is great guide for you because the content that is certainly full of information for you who always deal with world and have to make decision every minute. This specific book reveal it data accurately using great coordinate word or we can say no rambling sentences inside it. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only provides you with straight forward sentences but challenging core information with attractive delivering sentences. Having Resistance and Rebellion: Lessons from Eastern Europe (Studies in Rationality and Social Change) in your hand like keeping the world in your arm, data in it is not ridiculous 1. We can say that no e-book that offer you world with ten or fifteen moment right but this book already do that. So , this is certainly good reading book. Hi Mr. and Mrs. busy do you still doubt this?

Donna Wright:

Reading a publication make you to get more knowledge as a result. You can take knowledge and information from the book. Book is written or printed or highlighted from each source in which filled update of news. In this particular modern era like right now, many ways to get information are available for anyone.
