The Intentional Spinner

Judith Mackenzie

The Intentional Spinner Judith Mackenzie

Offering a blend of technical knowledge, history, and easy-to-use tips, this inspiring collection of spinning wisdom deftly explores the three fundamental areas of yarn production: understanding fibers, managing yarn structure, and making yarns that precisely meet the spinner's needs. The rich, historic traditions of plant and animal fibers are fascinatingly juxtaposed with recent advances in synthesized fiber and mankind's use of fibers in the past, present, and future, while detailed, image-laden instructions for four intermediate projects demonstrate the range of possibilities, from sturdy, plied yarns to playful, novelty yarns. Spinners are also offered guidance on planning a project from start to finish, as well as how to care for and store completed projects.
