*The adventure of a lifetime might just end in turmoil, but when it includes meeting your future mate, who gives a hoot?*

*A Novella of the Elder Races*

For a librarian with a focus on rare magic books, Olivia's new job is a dream come true. She has been hired as part of a team to help manage the safe transportation of the collection of books owned by the Vampire sorceress Carling Severan. The fact that the library is located on a mysterious island in an Other land only heightens the adventure.

Head of security for the expedition, Sebastian Hale is tired of his rootless life of adventure and finds himself attracted to the calm, beautiful librarian. But he is living a personal nightmare. He has been hit with a curse that is slowly taking away his sight, and he doesn't know if he will survive the results.

But the powerful feelings growing between them, along with Sebastian's inner turmoil, take a backseat when they learn there is a traitor lurking among their expedition team. With Elder Races politics and a priceless library on the line, they'll have to rely on each other to survive the experience.

Warning: When a librarian who likes to nest meets an owl Wyr who has always lived for adventure, their romance won't just be fly-by-night...
