The Worm Ouroboros

E. R. Eddison

The Worm Ouroboros E. R. Eddison

"An eccentric masterpiece" — Ursula K. LeGuin

"A new climate of the imagination" — C. S. Lewis

"A masterpiece" — James Stephens

This is the book that shaped the landscape of contemporary science fiction and fantasy. When *The Lord of the Rings* first appeared, the critics inevitably compared it to this 1922 landmark work. Tolkien himself frankly acknowledged its influence, with warm praise for its imaginative appeal. The story of a remote planet's great war between two kingdoms, it ranks as the *Iliad* of heroic fantasy.

In the best traditions of Homeric epics, Norse sagas, and Arthurian myths, author E. R. Eddison weaves a compelling adventure, with a majestic, Shakespearean narrative style. His sweeping tale recounts battles between warriors and witches on fog-shrouded mountaintops and in the ocean's depths — along with romantic interludes, backroom intrigues, and episodes of direst treachery. Generations of readers have joyfully lost themselves in the timeless worlds of *The Worm Ouroboros*. This new edition, magnificently illustrated with the classic original images, continues the enchantment.
