As parents, we simply want what's best for our children, but sometimes the modern education system does not always cater to the individual needs of every child. Each child is unique and requires different amounts of attention and support. As your child's first teacher, you are the most influential factor on his or her growth—academically, emotionally, and psychologically. In *Wise Up and Be the Solution*, James Casale shows you how to be more proactive and have more control over your son or daughter's education.

With 50 years of teaching experience, Casale gives you the tools to change your family dynamic for the better. This book is straightforward, jargon-free, and easy to follow. Parents will learn how to gain their children's attention and how to limit the things that can distract them. Casale also discusses parent-teacher conferences from an educator's perspective, allowing parents to better understand teachers and be more prepared during these meetings.

This book is a must have guide for parents who are eager to see their children succeed in school and life. It provides all the necessary tools to creating a culture of learning right in your home.
