There's no need to struggle as a lone entrepreneur, nor do you have to manipulate others to create your own success. Learn how to get connected and begin networking like never before, not only achieving your own goals but also allowing those around you to do the same.

Networking doesn't have to be a dirty word. It's not about climbing the social ladder or making contacts solely to take advantage of them. *Never Eat Alone* showcases a different and more powerful way to network, helping you connect with your peers to work together in a way that benefits everyone. The most successful people in the world know how to harness the power of networking, and with this book, so will you.

You will learn:

- That working to get ahead by yourself is scientifically proven to be a bad idea
- The skills needed to find your network and maintain strong, loyal relationships within this

· How modern technology has changed the way we network for the better.
