First Dance: Venturing Deeper Into a Relationship with God Brian Connolly

First Dance is a true love story about God. Beyond “religious knowledge” about God, you will explore the depths of that first love, that first dance when you hold your partner so close that your hearts beat as one.

No matter what you’ve been through—or are going through right now—you can get beyond your fear of intimacy and dive into the deep love relationship that God desires to have with you. You will once again thrill to the truth that you are worth the blood of Jesus. God says so!

You will learn how to get closer to God, love God more deeply, accept inner healing from God, and pursue God’s love with all your heart.

Many interesting stories and illustrations offer real solutions to real problems that are keeping you from experiencing all that God designed especially for you.
