President Nixon: Alone in the White House

Richard Reeves

President Nixon: Alone in the White House Richard Reeves

The bestselling author of *PRESIDENT KENNEDY* presents a stunning account of the brilliant and isolated man who destroyed his own presidency. President Nixon shows a man alone in a White House ruled by secrets and lies, trying to impose old values at home and new balances of power everywhere in the world. Reeves proves that the Watergate scandal was no aberration in an administration foreshadowed by a series of successful uses of 'national security' to cover coups, burglaries, lies, the abandonment of America's allies - and even murder. Reeves portrays a man of vision and iron will who created, used and was used by a small cast of hard, ambitious men who formed a poisonous circle around their insecure leader. Alone, Nixon challenged and changed the world's political and military balance while also plotting to destroy both the Democratic and Republican parties in an attempt to create secretly a new party of the centre. This account of Nixon's stewardship will stand as the balanced, authoritative portrait of an astonishing president and his ruined presidency.
