The Will of God Leslie Weatherhead

The phrase "the will of God" is used loosely, says Leslie Weatherhead, and the consequence of that looseness to our peace of mind is serious. Weatherhead's recognition of this problem led him to write *The Will of God*, a classic that has helped more than a million grieving persons better understand the meaning of the phrase. It can help you as well.

It was during the tumultuous era of World War II that Leslie Weatherhead preached five sermons on understanding the will of God for the congregation at City Temple in London. These sermons became the classic book *The Will of God*, which has helped hundreds of thousands of Christians explore how God's will is related to God's character and ultimate intentions for us.

A six-week workbook study is also available that uses three case studies to illustrate the questions that arise in understanding the book #0687008409.
