ManWords: Real Words for Real Men Jeremy Greenberg

So your bros are hanging around the grill, shooting the shit while putting back brews from a pony keg. The air's heavy with barbecue sauce, stale belches, and testosterone. And you want to sound manly, like you read *Maxim*, not *GQ*. Like you watch football, not gymnastics. You want to use words like "crack-back," "low rider," and "mojo." You need *ManWords*.

If you want to be a high roller, a mac daddy, or a player, you also need this book.

And if "taupe," "ruching," and "brow gel" are words you actually know, get this book *now*. You can probably still be saved.
